MAIL-MUSIC

Dear friends

I want to thank you for contributing to this mail-music project.
Rudolf Eb.er and I, we had great fun in unpacking and listening to your submitted tapes and objects.

All sound-pieces have been played in the background during the whole exhibition in Bern. Some of the best packagings were shown in glass cupboards.
Next to the mail-art stuff (rubberstamps, envelopes, postcards, fax, magazines, copy-art etc.) our mail-music section attracted great attention to the public.

Finally all tracks have been broadcasted on our radio-show (Psychic Rally) at the alternative station LoRa in Zürich.

Once again, thank you very much for your collaboration. Lets continue to spread and exchange our ideas, sounds, words and expressions over the whole world!
